Biography

Darren Onyett. Born 14th March 1970 London.

I am an Artist / Creative from London with 30+ years of industry experience. I have high end specialist skills in film making, editing, photography, retouching, 3D, 2D, animation, VFX, compositing, illustration, pre-visualisation & storyboards.

I have strong traditional production values, which I put to good use with today's digital toolset. I am a great team motivator & my passion for creating great pictures is infectious.
